European Conference on Neutron Scattering 2023

Wednesday 22 March 2023

Soft Matter Interfaces - MW 0 001 - Lecture hall (11:00 - 12:30)

-Conveners: Adrian Rennie; Henrich Frielinghaus

time	[id] title	presenter
11:00	[168] Looking at Buried Layers and Interphases Using Neutron and X-ray Scattering	MOEHL, Gilles
11:30	[438] Progress in organic solar cells based on advanced neutron scattering methods	MÜLLER-BUSCHBAUM, Peter
11:50	[466] Insights from scattering into plant based dairy products	HEIDEN-HECHT, Theresia
12:10	[338] Using Neutron Reflectometry to study atmospheric ageing of organic surfactant aerosol proxies	SKODA, Maximilian
