# CREMLIN workshop: Engineering for advanced neutron instrumentation and sample environment

## Monday 14 May 2018

**Session II: Standards for sample environment (13:15 - 15:15)**

| time | [id] title | presenter |
|---|---|---|
| 13:15 | [12] Sample environment for diffraction | SENYSHYN, Anatoliy |
| 13:45 | [9] Sample environment for inelastic scattering | KULDA, Jiri |
| 14:15 | [19] Sample environment for reflectometry | MATTAUCH, Stefan |
| 14:45 | [16] Engineering challenges in single crystal neutron diffraction | GOUKASSOV, Arsen |
