

# Isotopic Determination of Uranium Samples Using Passive Gamma Spectroscopy with Multiple Detectors

*Tuesday 26 February 2013 18:30 (1h 30m)*

The use of gamma-gamma coincidence methods to determine isotopic ratios of uranium standards

**Authors:** Dr LANDSBERGER, Sheldon (University of Texas); Mr HORNE, Steven (University of Texas)

**Co-author:** Mr DICKSON, Brian (University of Texas)

**Presenter:** Dr LANDSBERGER, Sheldon (University of Texas)

**Session Classification:** Poster session

**Track Classification:** SAAGAS 24
