

NMI3 General Assembly

Thursday, 25 September 2014

General Assembly: Welcome address by Javier Campo, ICMA Director - Sala De Grados (09:00 - 09:10)

General Assembly: Introduction speech by Mark Johnson NMI3 Coordinator (ILL) - Sala De Grados (09:10 - 09:30)

General Assembly: Talk by Dr A. Millan, University of Zaragoza, on "New trends in nano-biomaterials research" - Sala De Grados (09:30 - 10:00)

General Assembly: Talk by Larry Falvello on "Crystallography and the Physical Sciences in the 20th and 21st century" - Sala De Grados (10:00 - 10:30)

General Assembly: Scientific highlights from NMI3 facilities: "Muon spin relaxation reveals the hydrogen storage mechanism in light alkali metal fullerides" by Dr. Mattia Gaboardi Department of Physics and Earth Sciences, University of Parma - Sala De Grados (11:00 - 11:30)

General Assembly: Scientific highlights from NMI3 facilities: "Selenium in bread and durum wheats grown under a soil-supplementation regime in actual field conditions, determined by cyclic and radiochemical neutron activation analysis" by Catarina Galinha Instituto Tecnológico e Nuclear, Portugal - Sala De Grados (11:30 - 12:00)

General Assembly: Scientific highlights from NMI3 facilities: "Lineshape of the singlet-triplet excitations in the dimer system $\text{Sr}_3\text{Cr}_2\text{O}_8$ to first order in the high-density $1/z$ expansion" by Dr. Diana Lucía Quintero Castro, FLEXX Instrument Scientist, HZB - Sala De Grados (12:00 - 12:30)

General Assembly: Joint Research Activity results: Advanced Methods & Techniques by Victor Laliena - Sala De Grados (14:00 - 14:15)

General Assembly: Joint Research Activity results: Imaging by Eberhard Lehmann - Sala De Grados (14:15 - 14:30)

General Assembly: Joint Research Activity results: Muons by Steve Cottrell - Sala De Grados (14:30 - 14:45)

General Assembly: Joint Research Activity results: Soft and Bio materials by Annie Brulet - Sala De Grados (14:45 - 15:00)

General Assembly: Joint Research Activities results: Detectors - Sala De Grados (15:00 - 15:15)

General Assembly: NMI3 networking activities: e-learning by Linda Udby - Sala De Grados (15:50 - 16:05)

General Assembly: NMI3 networking activities: Integrated User Access by Thomas Gutberlet - Sala De Grados (16:05 - 16:20)

General Assembly: NMI3 networking activities: Data analysis standards by Emmanuel Farhi - Sala De Grados (16:20 - 16:35)

General Assembly: Discussion and closing session by Mark Johnson - Sala De Grados (16:35 - 16:50)
