

Engaging Teachers with Large Research Infrastructures

Tania Johnston, STFC

Where we are

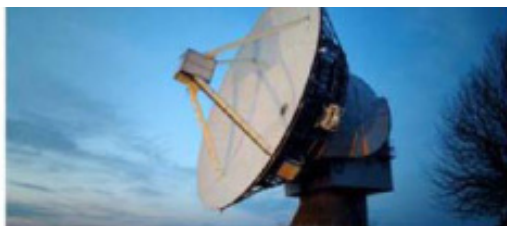

UK Astronomy Technology Centre
Edinburgh, Scotland

Polaris House
Swindon, Wiltshire

Chilbolton Observatory
Stockbridge, Hampshire

Daresbury Laboratory

Sci-Tech Daresbury
Warrington, Cheshire

Rutherford Appleton Laboratory

Harwell
Didcot, Oxfordshire

Boulby Underground Laboratory North Yorkshire

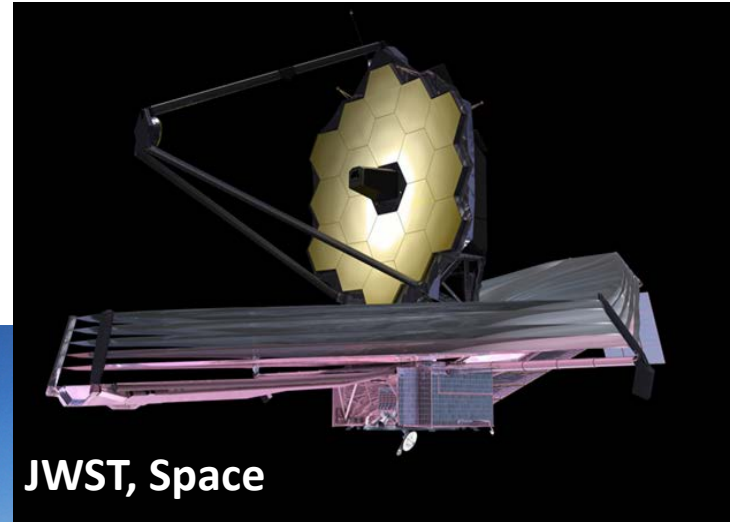

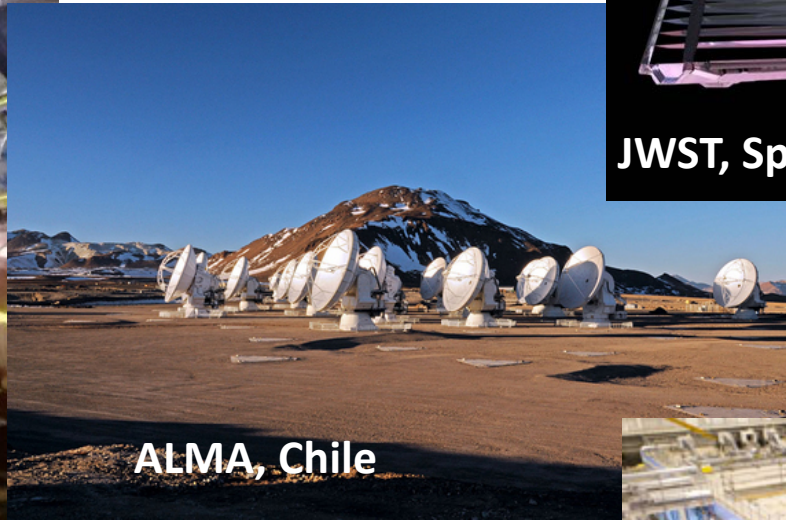

...and internationally

Science & Technology
Facilities Council

Inspiring science and technology

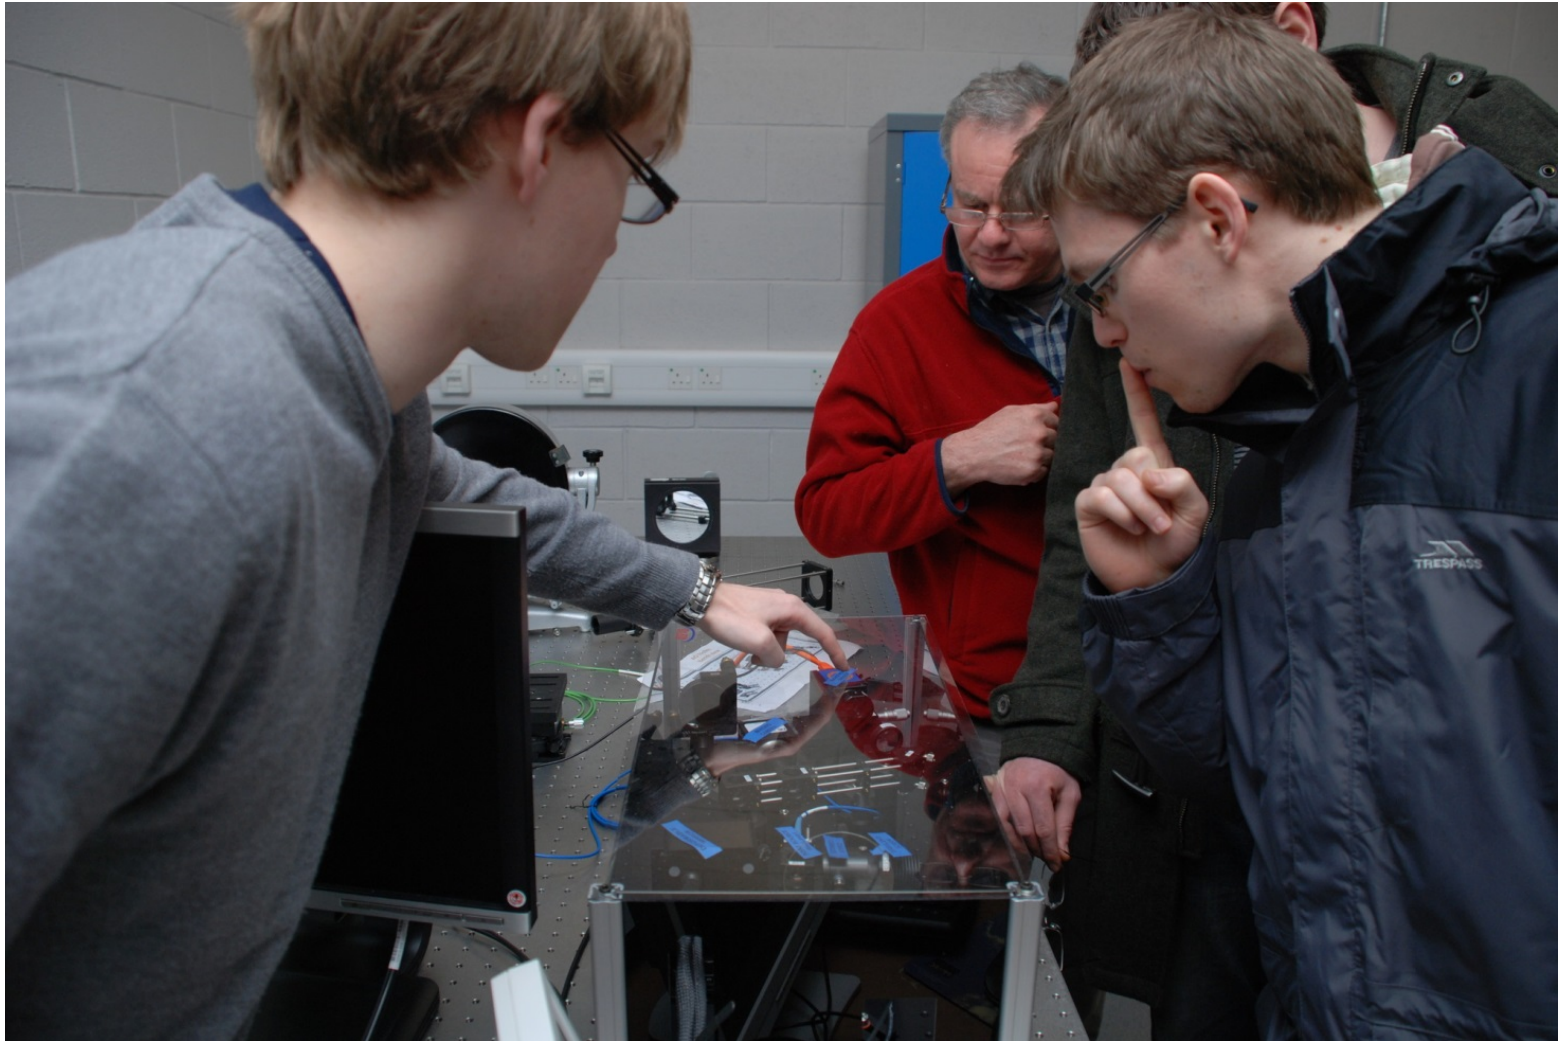

ISIS
neutron/muon
facility,
Oxfordshire

Engaging Teachers

- Naturally enthusiastic
- Gateway to the next generation
- Time-poor
- Disconnected from current research
