

4th internal biannual science meeting of the MLZ

Monday, 24 June 2019

Science driven instrumentation: Material science - Seminar room basement (16:30 - 18:30)

Science driven instrumentation: Quantum Phenomena - Roof (16:30 - 18:30)

Science driven instrumentation: Softmatter - Large seminar room II (16:30 - 18:30)

time	[id] title	presenter
16:55	[104] In situ Dynamic Light Scattering at Small Angle Neutron Scattering and Spin-Echo Instruments	BALACESCU, Livia
17:25	[34] Polymer dynamics and the new J-NSE Phoenix at MLZ	PASINI, Stefano

Science driven instrumentation: Structure - Library (16:30 - 18:30)
