

Session Program

19-21 Dec 2018

BornAgain2018

User session

gate Garching Technologie- und Gründerzentrum, Conference room A (ground floor)
Lichtenbergstraße 8 85748 Garching bei München

Wednesday 19 December

17:30

User session: GISAXS Investigation of ordered nanostructures

Session |

Location: gate Garching Technologie- und Gründerzentrum, Conference room A (ground floor), Lichtenbergstraße 8
85748 Garching bei München |

Convener: Joachim Wuttke

17:30-17:45

GISAXS Investigation of ordered nanostructures

Speaker

Wolfgang Gruber

17:45-18:00

Simulation and Fitting of the Operando GISAXS data in BornAgain: A Case of Catalytically Active Supported Metal Nanoparticles

Speaker

Yaroslav Odarchenko

18:00-18:15

Determining the complex Structure of Nanocrystal Superlattices

Speaker

Santanu Maiti

18:15-18:20

Co-nonsolvency in thermo-responsive block copolymer thin films

Speaker

Christina Geiger

18:20-18:25

In-situ GISAXS during sputter deposition of metal nanolayers on functional polymer thin films for lithium-ion batteries

Speaker

Simon Schaper

18:30

Thursday 20 December

16:00

User session: User feedback

Session |

Location: gate Garching Technologie- und Gründerzentrum, Conference room A (ground floor), Lichtenbergstraße 8
85748 Garching bei München |

Convener: Joachim Wuttke

16:00-16:15

TREFF: polarised reflectometer and test beamline

Speaker

Egor Vezhlev

16:15-16:30

BornAgain for thin polymer systems

Speaker

Tetyana Kyrey

16:30-16:45

Use of BornAgain for analysis of Polarized SANS data: the wish list

Speaker

Nileena Nandakumaran

16:45-17:00

Understand scattering data with BornAgain

Speaker

Wenhai Ji

17:00

17:00

User session: Fit your data

Session |

Location: gate Garching Technologie- und Gründerzentrum, Conference room A (ground floor), Lichtenbergstraße 8
85748 Garching bei München |

Conveners: Dr Walter Van Herck, Dr Dmitry Yurov, Dr Marina Ganeva, Dr Gennady Pospelov

18:30

Friday 21 December

12:10

12:30

User session: Concluding remarks, discussion

Session |

Location: gate Garching Technologie- und Gründerzentrum, Conference room A (ground floor), Lichtenbergstraße 8
85748 Garching bei München |

Convener: Joachim Wuttke
