

Session Program

4-7 Jun 2019

MLZ Conference: Neutrons for information and quantum technologies

Numerical simulations of quantum spin systems

Arabella Brauneck Hotel
Münchner Str. 25 83661 Lenggries

Friday 7 June

10:30

Numerical simulations of quantum spin systems

Session | **Location:** Arabella Brauneck Hotel, Münchner Str. 25 83661 Lenggries

10:30–11:30

HIGH-PRECISION CALCULATION OF (NEUTRON) SCATTERING WITH THE DENSITY-MATRIX RENORMALIZATION GROUP

Speaker

Prof. Uli Schollwöck

11:30–12:00

Spin wave excitations of magnetic metalorganic materials

Speaker

Dr Johan Hellsvik

12:00
