

Experts Meeting on Fast Neutron Imaging

Tuesday, 22 October 2019

Accelerator Based Neutrons - Radiochemie München RCM (10:30 - 12:00)

time	[id] title	presenter
10:30	[3] Status of Fast Neutron Imaging Research at ETH/PSI	Dr ADAMS, Robert
11:00	[5] A New Fast Neutron Imaging System at the Phoenix Neutron Imaging Center – Current Status and Initial Results	Dr TAYLOR, Michael
11:30	[9] Radiography with Fast DD and DT Neutron Generator, Associated Particle Imaging with DT Neutron Generator, and Grating Optics Applied to Fast Neutron Radiography	Dr CREMER, Jay
