

# European Conference on Neutron Scattering 2023

**Sunday 19 March 2023 - Thursday 23 March 2023**

**Campus Garching**

## Scientific Programme

**We are looking forward to receiving your abstract!**

1500 characters incl. blanks and without any graphics - this is what our submission page asks for. In order to categorise your submission the right way, please choose one of the tracks below when submitting your abstract.

## **Neutron Sources and Facilities**

## **Neutron Instrumentation, Optics, Sample Environment, Detectors, and Software**

## **Fundamental Science**

## **Chemistry of Materials (Structure and Spectroscopy)**

## **Magnetism, Superconductivity, Topological Systems, Magnetic Thin Films and other electronic phenomena**

## **Functional Materials**

## **Glasses and Liquids**

## **Thin Films and Interfaces**

## **Soft Condensed Matter**

**Health and Life Sciences**

**Engineering applications**

**Cultural Heritage and Archaeometry**

**Planetary Sciences and Extreme Conditions**

**Micro-Symposium DEUNET**

**Micro-Symposium CANS**
