

European Conference on Neutron Scattering 2023

Wednesday, March 22, 2023

Fundamental Physics - SCC/0-002 - Taurus 1&2 (2:00 PM - 3:30 PM)

-Conveners: Bastian Märkisch

time	[id] title	presenter
2:00 PM	[459] Fundamental physics possibilities at the European Spallation Source	SANTORO, Valentina
2:30 PM	[312] Beam EDM - A beam experiment to search for the neutron electric dipole moment	FRATANGELO, Anastasio
2:50 PM	[394] Reanalysis of the of β - $\bar{\nu}_e$ angular correlation measurement aSPECT with new constraints on Fierz interference	SCHMIDT, Ulrich
3:10 PM	[189] Weak and Which-Way Measurements in Neutron Interferometry	Dr SPONAR, Stephan
