

European Conference on Neutron Scattering 2023

Wednesday, 22 March 2023

Source Materials - SCC/0-002 - Taurus 1&2 (16:00 - 18:00)

-Conveners: Jeroen Plomp; Paul Zakalek

time	[id] title	presenter
16:00	[510] A novel concept of staircase neutron moderator	KONIK, Peter
16:30	[449] Neutron experimental performance testing of low-dimensional cold moderators	ROSTA, László
17:00	[66] A new scattering kernel for superfluid helium	GRANADA, Rolando
17:20	[51] Inelastic neutron scattering in pursuit of interesting neutron-moderating materials	RUDIC, Svemir
17:40	[350] Clathrate Hydrates as Novel Moderator Material for Sources of Very Cold Neutrons	CZAMLER, Valentin
