

European Conference on Neutron Scattering 2023

Wednesday, March 22, 2023

Source Materials - SCC/0-002 - Taurus 1&2 (4:00 PM - 6:00 PM)

-Conveners: Paul Zakalek; Jeroen Plomp

time	[id] title	presenter
4:00 PM	[510] A novel concept of staircase neutron moderator	KONIK, Peter
4:30 PM	[449] Neutron experimental performance testing of low-dimensional cold moderators	ROSTA, László
5:00 PM	[66] A new scattering kernel for superfluid helium	GRANADA, Rolando
5:20 PM	[51] Inelastic neutron scattering in pursuit of interesting neutron-moderating materials	RUDIC, Svemir
5:40 PM	[350] Clathrate Hydrates as Novel Moderator Material for Sources of Very Cold Neutrons	CZAMLER, Valentin
