

# European Conference on Neutron Scattering 2023

## Monday, 20 March 2023

### Frustrated Magnets 1 - SCC/3-Venus - Venus (11:00 - 12:30)

-Conveners: Ross Stewart; Yixi Su

time	[id] title	presenter
11:00	[184] Quantum spin liquid in the Ising triangular-lattice antiferromagnet NdTa <sub>7</sub> O <sub>19</sub>	PREGELJ, Matej
11:30	[145] Understanding synthesis-driven structure-property relationships in quantum materials	GRAHAM, Jennifer
11:50	[232] High-resolution spectrum of fractional excitations in Ce <sub>2</sub> Sn <sub>2</sub> O <sub>7</sub>	SIBILLE, Romain
12:10	[171] Fractional Excitation-induced Phonon Renormalization in $\alpha$ -RuCl <sub>3</sub>	MERRITT, Adrian
