

European Conference on Neutron Scattering 2023

Monday, March 20, 2023

Frustrated Magnets 1 - SCC/3-Venus - Venus (11:00 AM - 12:30 PM)

-Conveners: Yixi Su; Ross Stewart

time	[id] title	presenter
11:00 AM	[184] Quantum spin liquid in the Ising triangular-lattice antiferromagnet NdTa7O19	PREGELJ, Matej
11:30 AM	[145] Understanding synthesis-driven structure-property relationships in quantum materials	GRAHAM, Jennifer
11:50 AM	[232] High-resolution spectrum of fractional excitations in Ce ₂ Sn ₂ O ₇	SIBILLE, Romain
12:10 PM	[171] Fractional Excitation-induced Phonon Renormalization in α -RuCl ₃	MERRITT, Adrian
