

European Conference on Neutron Scattering 2023

Wednesday, 22 March 2023

Superconductors - MW 2 001 - Lecture hall (11:00 - 12:30)

-Conveners: Frank Weber; Jitae Park

time	[id] title	presenter
11:00	[383] Single-domain stripe order in a high-temperature superconductor	MAZZONE, Daniel SIMUTIS, Gediminas
11:30	[31] Universal stripe order as a precursor of the superconducting phase in BaFe ₂ Se ₃ Spin Ladder	BALÉDENT, Victor
11:50	[443] Studying the effects of trapped magnetic fields on current flow in a multifilamentary YBCO superconductor using polarized neutron imaging.	QVISTGAARD, Cédric
12:10	[481] Composition of magnetic interactions in the heavy-fermion system CeIn ₃	SIMETH, Wolfgang
