

# European Conference on Neutron Scattering 2023

## Wednesday, March 22, 2023

### Polymers and Criticality - MW 0 001 - Lecture hall (2:00 PM - 3:30 PM)

-Conveners: Olaf Holderer; Fanni Juranyi

time	[id] title	presenter
2:00 PM	[264] Dynamic criticality of a 3d- and 2d-Ising system made of 3-picolin/D\$ <sub>2</sub> \$O and antagonistic salt	FRIELINGHAUS, Henrich
2:30 PM	[100] Chain confinement and anomalous diffusion in polymer melt.	KRUTEVA, Margarita
2:50 PM	[5] Cooperative tracer chain dynamics in highly entangled polymer melts	ZAMPONI, Michaela
3:10 PM	[253] Structure of Neat Protein Single-Chain Nanoparticles from Partially Denatured BSA by SANS	MALO DE MOLINA, Paula
