

Session Program

Mar 20 - 23, 2023

**EUROPEAN
CONFERENCE
ON NEUTRON
SCATTERING**

European Conference on Neutron Scattering 2023

Engineering 2

Campus Garching
Garching/ Germany

Wed, March 22

11:00 AM

Engineering 2

Session | **Location:** Galileo, SCC/0-001 - Lecture hall | **Conveners:** Michael Schulz, Markus Strobl

11:00 - 11:30 AM

Investigation of hydrogen distribution in hybrid Ti-Mg implant materials using neutron tomography

Speaker

Richi Kumar

11:30 - 11:50 AM

CANCELLED!!!!!! In-situ Neutron Imaging Study on Ammonia Sorbents for Novel Ammonia Synthesis Routes

Speaker

Anastasiia Karabanova

11:50 AM - 12:10 PM

Polarization contrast neutron imaging of magnetic phases in additively manufacturing specimens

Speaker

Matteo Busi

12:10 - 12:30 PM

Targeted use of residual stress in electrical steel to increase energy efficiency

Speaker

Simon Sebold

12:30 PM
