

European Conference on Neutron Scattering 2023

Wednesday, March 22, 2023

Functional Materials 2 - MW 2 001 - Lecture hall (2:00 PM - 3:30 PM)

-Conveners: Ralph Gilles; Bjørn Hauback

time	[id] title	presenter
2:00 PM	[176] Laue and time-of-flight neutron diffractive imaging methods for 3D grain mapping of polycrystalline materials	LARSEN, Camilla Buhl
2:30 PM	[444] Chalcogenides for wearable thermoelectrics	FEJERCAK, Milos
2:50 PM	[53] Neutron scattering study on the structure-property relationship of polymer electrolyte membranes	Dr ZHAO, Yue
3:10 PM	[496] Structural and Magnetic Domains in Ni ₂ MnZ Heusler Alloys	ZWECK, Ulrike
