

# European Conference on Neutron Scattering 2023

## Wednesday, 22 March 2023

### Functional Materials 2 - MW 2 001 - Lecture hall (14:00 - 15:30)

-Conveners: Ralph Gilles; Bjørn Hauback

time	[id] title	presenter
14:00	[176] Laue and time-of-flight neutron diffractive imaging methods for 3D grain mapping of polycrystalline materials	LARSEN, Camilla Buhl
14:30	[444] Chalcogenides for wearable thermoelectrics	FEJERCAK, Milos
14:50	[53] Neutron scattering study on the structure-property relationship of polymer electrolyte membranes	Dr ZHAO, Yue
15:10	[496] Structural and Magnetic Domains in Ni <sub>2</sub> MnZ Heusler Alloys	ZWECK, Ulrike
