

European Conference on Neutron Scattering 2023

Tuesday, 21 March 2023

Neutron Sources: Developments and Foresight - MW 0 001 - Lecture hall (14:00 - 16:00)

-Conveners: Mirijam Zobel

time	[id] title	presenter
14:00	[204] ISIS-II: the future development of the ISIS Neutron and Muon Source	LANGRIDGE, Sean
14:30	[192] The future of ESS is bright	SCHWEIKA, Werner
15:00	[219] Reactor Institute Delft 2.0	Dr PLOMP, Jeroen
15:20	[239] The Australian Centre for Neutron Scattering Operations	Dr IMPERIA, Paolo
15:40	[440] Neutron Physics Laboratory Řež (CZ) and its instrumentation for investigation of structure and microstructure of advanced materials	STRUNZ, Pavel
