

# European Conference on Neutron Scattering 2023

## Tuesday, March 21, 2023

### Neutron Sources: Developments and Foresight - MW 0 001 - Lecture hall (2:00 PM - 4:00 PM)

-Conveners: Mirijam Zobel

time	[id] title	presenter
2:00 PM	[204] ISIS-II: the future development of the ISIS Neutron and Muon Source	LANGRIDGE, Sean
2:30 PM	[192] The future of ESS is bright	SCHWEIKA, Werner
3:00 PM	[219] Reactor Institute Delft 2.0	Dr PLOMP, Jeroen
3:20 PM	[239] The Australian Centre for Neutron Scattering Operations	Dr IMPERIA, Paolo
3:40 PM	[440] Neutron Physics Laboratory Řež (CZ) and its instrumentation for investigation of structure and microstructure of advanced materials	STRUNZ, Pavel
