

Session Program

Mar 20 - 23, 2023

**EUROPEAN
CONFERENCE
ON NEUTRON
SCATTERING**

European Conference on Neutron Scattering 2023

Neutron Sources: Developments and Foresight

Campus Garching
Garching/ Germany

Tue, March 21

2:00 PM

Neutron Sources: Developments and Foresight

Session | **Location:** Fakultät für Maschinenwesen, MW 0 001 - Lecture hall | **Convener:** Prof. Mirijam Zobel

2:00 – 2:30 PM

ISIS-II: the future development of the ISIS Neutron and Muon Source

Speaker

Sean Langridge

2:30 – 3:00 PM

The future of ESS is bright

Speaker

Werner Schweika

3:00 – 3:20 PM

Reactor Institute Delft 2.0

Speaker

Dr Jeroen Plomp

3:20 – 3:40 PM

The Australian Centre for Neutron Scattering Operations

Speaker

Dr Paolo Imperia

3:40 – 4:00 PM

Neutron Physics Laboratory Řež (CZ) and its instrumentation for investigation of structure and microstructure of advanced materials

Speaker

Pavel Strunz

4:00 PM
