

# European Conference on Neutron Scattering 2023

## Monday, 20 March 2023

### Diffraction and beyond - SCC/0-002 - Taurus 1&2 (11:00 - 12:30)

-Conveners: Rasmus Toft-Petersen; Johanna K. Jochum

time	[id] title	presenter
11:00	[47] Construction of the DREAM Diffractometer at ESS	FEYGENSON, Mikhail
11:30	[483] Recent upgrade at high resolution SANS diffractometer D16@ILL.	CRISTIGLIO, Viviana
11:50	[393] Benchmarking the FLUKA predictions of the neutron flux delivered at the INES instrument and envisaged solution for reducing the background.	Dr QUINTIERI, Lina
12:10	[119] CERBERUS: The Multi-purpose Neutron Scattering Instrument at the First Target Station of the Spallation Neutron Source.	FROST, Matthew
