

European Conference on Neutron Scattering 2023

Monday, March 20, 2023

Diffraction and beyond - SCC/0-002 - Taurus 1&2 (11:00 AM - 12:30 PM)

-Conveners: Rasmus Toft-Petersen; Johanna K. Jochum

time	[id] title	presenter
11:00 AM	[47] Construction of the DREAM Diffractometer at ESS	FEYGENSON, Mikhail
11:30 AM	[483] Recent upgrade at high resolution SANS diffractometer D16@ILL.	CRISTIGLIO, Viviana
11:50 AM	[393] Benchmarking the FLUKA predictions of the neutron flux delivered at the INES instrument and envisaged solution for reducing the background.	Dr QUINTIERI, Lina
12:10 PM	[119] CERBERUS: The Multi-purpose Neutron Scattering Instrument at the First Target Station of the Spallation Neutron Source.	FROST, Matthew
