

European Conference on Neutron Scattering 2023

Monday, March 20, 2023

Spectroscopy - SCC/0-001 - Lecture hall (2:00 PM - 4:00 PM)

-Conveners: Robert Georgii; Robert Bewley

time	[id] title	presenter
2:00 PM	[82] First results on the Wide Angle Neutron Spin Echo (WASP)	FALUS, Peter
2:30 PM	[359] Crystof: A thermal spectrometer for HBS	VOIGT, Jörg
3:00 PM	[117] BIFROST - An extreme environment cold neutron spectrometer at the European Spallation Source	TOFT-PETERSEN, Rasmus
3:20 PM	[315] Marmot : Multiplexed Analyzer system with continuous energy analysis	STEFFENS, Paul
3:40 PM	[202] SHERPA: a backscattering instrument with polarisation analysis	Dr SILVERWOOD, Ian
