European Conference on Neutron Scattering 2023

Tuesday 21 March 2023

Data Evaluation & Software 1 - SCC/0-002 - Taurus 1&2 (11:00 - 12:30)

-**Conveners: Sebastian Busch; Toby Perring**

time	[id] title	presenter
11:00	[417] Classification of Small-Angle Scattering Patterns Using Machine Learning on Transformed 2D-Data	GANEVA, Marina
11:30	[121] Diffraction at the European Spallation Source: instrument simulation and data reduction	DURNIAK, Celine
11:50	[261] Single crystal neutron diffraction data reduction with OpenHKL	RAZA, Zamaan
12:10	[207] Simulation of complex neutron detectors using new features in the McStas Union components	BERTELSEN, Mads
