

# European Conference on Neutron Scattering 2023

## Wednesday, March 22, 2023

### Data Evaluation & Software 2 - SCC/0-002 - Taurus 1&2 (11:00 AM - 12:30 PM)

-Conveners: Mads Bertelsen; Andreas Stadler

time	[id] title	presenter
11:00 AM	[94] Euphonic: efficient inelastic neutron scattering simulations and more from force constants	PERRING, Toby
11:30 AM	[396] From molecular dynamics simulations to diffuse scattering maps	KULDA, Jiri
11:50 AM	[404] Refining Molecular Dynamics Simulations to Neutron and X-ray Diffraction and Spectroscopy Data	REICH, Veronika
12:10 PM	[372] AI-assisted neutron spectroscopy - Log-Gaussian processes for TAS	Dr TEIXEIRA PARENTE, Mario
