

Session Program

18-22 Jul 2016

MLZ Conference: Neutrons for Energy

Session X: Engineering (Chair: Ralph Gilles)

Hotel Wyndham Grand Axelmannstein, Bad Reichenhall, Germany
Salzburger Str. 2-6 83453 Bad Reichenhall

Thursday 21 July

11:00

Session X: Engineering (Chair: Ralph Gilles)

Session |

Location: Hotel Wyndham Grand Axelmannstein, Bad Reichenhall, Germany, Salzburger Str. 2-6 83453 Bad Reichenhall

11:00-11:50

Neutron scattering contribution to understanding and development of high-temperature materials

Speaker

Dr Pavel Strunz

Location

11:50-12:10

PAS studies of neutron and hydrogen treated reactor steels

Speaker

Prof. Vladimir Slugen

Location

12:10-12:30

Dependence of Ta-C precipitate stability and growth on allotropic Co-Re matrix transformation

Speaker

Lukas Karge

Location

12:30
