MLZ Conference: Neutrons for Energy

Session II: H₂ Storage (Chair: Anatoliy Senyshyn)

Hotel Wyndham Grand Axelmannstein, Bad Reichenhall, Germany
Salzburger Str. 2-6 83453 Bad Reichenhall

Monday 18 July

16:00

Session II: H2 Storage (Chair: Anatoliy Senyshyn)

Session |

Location: Hotel Wyndham Grand Axelmannstein, Bad Reichenhall, Germany, Salzburger Str. 2-6 83453 Bad Reichenhall

16:00–16:50

Exploring hydrogen and ammonia as energy storage alternatives to fossil fuels: in-situ neutron powder diffraction studies

Speaker

Prof. William David

16:50–17:10

Hydrogen dynamics in defective graphene

Speaker

Dr Chiara Cavallari

17:10–17:30

Neutron scattering insight at hydrogen storage in sub-nanopores

Speaker

Dr Margarita Russina

17:50
