

50 Years of Neutron Backscattering Spectroscopy

Contribution ID: 82

Type: **Invited talks**

QENS for Material Science

Friday, 2 September 2016 15:20 (20 minutes)

Last minute change as replacement for Sandrine Lyonnard.

Primary author: Dr BLANCHARD, Didier (Technical University of Denmark (DTU))

Presenter: Dr BLANCHARD, Didier (Technical University of Denmark (DTU))

Session Classification: Major Science Fields tackled with Backscattering

Track Classification: Main
