

# 50 Years of Neutron Backscattering Spectroscopy

## Friday, 2 September 2016

### Innovations in Backscattering (11:25 - 12:40)

time	[id] title	presenter
11:25	[77] Neutron backscattering at NIST	Dr DIMEO, Robert M.
11:40	[79] The Design and Construction of the Spallation Neutron Source near-backscattering spectrometer BaSiS	Dr HERWIG, Kenneth
11:55	[32] SPHERES: the SPectrometer for High Energy RESolution at FRM II	WUTTKE, Joachim
12:10	[51] A performance boost for reactor backscattering - IN16B at ILL	Mr FRICK, Bernhard
12:25	[46] A time-of-flight type near backscattering spectrometer DNA in J-PARC	Dr SHIBATA, Kaoru
