

50 Years of Neutron Backscattering Spectroscopy

Friday, 2 September 2016

Historical Talks on Neutron Backscattering (10:45 - 11:25)

time	[id] title	presenter
10:45	[81] The pathway of neutron backscattering: from Garching to Grenoble	Prof. MAGERL, Andreas
11:05	[36] First ToF Backscattering at Spallation Sources	Dr CARLILE, Colin
