

# 50 Years of Neutron Backscattering Spectroscopy

## Friday, 2 September 2016

### Science overview from Backscattering Workhorses (16:20 - 17:50)

time	[id] title	presenter
16:20	[38] Science from IRIS and OSIRIS	Dr DEMMEL, Franz
16:35	[37] Science from IN13	Prof. PETERS, Judith
16:50	[65] Science from the High Flux Backscattering Spectrometer	TYAGI, Madhu Sudan
17:05	[41] From classical applications to new materials – science done at SPHERES	Dr ZAMPONI, Michaela
17:20	[33] Science from IN16B	Dr SEYDEL, Tilo
17:35	[34] Science from BASIS	Dr MAMONTOV, Eugene
