Teaching Edition of International Tables for Crystallography: Crystallographic Symmetry

Monday, 14 March 2022 14:50 (20 minutes)

The aim of this contribution is to present briefly the new Teaching Edition of *International Tables for Crystallography* (ITC) that provides an introduction to the symmetry information found in Volume A, Volume A1 and Volume E of ITC, to magnetic space groups and to the *Symmetry Database* that forms part of Online Edition of ITC.

Primary author: AROYO, Mois Ilia (University of the Basque Country)

Presenter: AROYO, Mois Ilia (University of the Basque Country)

Session Classification: Theory

Track Classification: Main conference: Crystallography in Education, Art, and Society
