## Synthesis and characterization of mullite-type $\text{NdMnTiO}_5$ : Structural, spectroscopic, thermal and magnetic properties analyses

*Wednesday, 16 March 2022 18:44 (1 minute)*

Synthesis and characterization of mullite-type  $\text{NdMnTiO}_5$ : Structural, spectroscopic, thermal and magnetic properties analyses

**Primary author:** GHOSH, Kowsik (Uni Bremen)

**Co-authors:** MURSHED, M. Mangir; FREDERICHS, Thomas; MUNIRAJU, Naveen K. C.; GESING, Thorsten

**Presenter:** GHOSH, Kowsik (Uni Bremen)

**Session Classification:** Postersession

**Track Classification:** Main conference: Structural Chemistry & New crystal structures
