Rb₄CuSb₂Br₁₂: A new vacancy-ordered quadruple perovskite

Tuesday, 15 March 2022 18:14 (1 minute)

Synthesis and crystal chemistry new vacancy-ordered quadruple perovskite Rb₄CuSb₂Br₁₂.

Primary authors: HILLEBRECHT, Harald (Institute of Inorganic and Analytical Chemistry, Faculty of Chemistry and Pharmacy, Uni Freiburg); OTTENY, Markus; DAUB, Michael

Presenter: DAUB, Michael

Session Classification: Postersession

Track Classification: Main conference: Structural Chemistry & New crystal structures
