Structure determination of small molecule compounds by an electron diffractometer for 3D ED/MicroED

Wednesday, 16 March 2022 15:10 (20 minutes)

This presentation will feature dedicated instrumentation for 3D ED/MicroED and a couple of interesting datasets.

Primary author: SCHÜRMANN, Christian (Rigaku Europe SE / Rigaku Corporation)

Presenter: SCHÜRMANN, Christian (Rigaku Europe SE / Rigaku Corporation)

Session Classification: Cutting Edge Tools for Crystallography

Track Classification: Main conference: Advances in Methods, Instrumentation and Data Analysis
