

MLZ Conference 2023: Neutrons for Biomaterials

Monday, 22 May 2023

Biomimetics and alive systems - Schloss Fürstenried (13:50 - 15:10)

time	[id] title	presenter
13:50	[24] Challenges in the structure and dynamics of transport in the stratum corneum	Prof. OLMSTED, Peter D.
14:30	[9] Polymer Brushes: topology variation and influence on nanoscale hydration	VAGIAS, Apostolos
14:50	[22] Effect of the chain conformation on the structure of protein single-chain nanoparticles.	LE, Thu Phuong
