

# MLZ Conference 2023: Neutrons for Biomaterials

## Tuesday, 23 May 2023

### Lipids and membranes - Schloss Fürstenried (13:30 - 15:30)

time	[id] title	presenter
13:30	[15] Investigating Biomembrane Mimics and Lipid-Based Biomaterial Surfaces with Neutrons	SCHNECK, Emanuel
14:10	[31] Mapping of a Mouse Brain Slice using Neutrons	Dr MAITI, Santanu
14:30	[45] Interaction of nanoparticles with lipid films: the role of symmetry and shape anisotropy	MANGIAPIA, Gaetano
14:50	[18] Timescale of SARS-CoV2 spike protein mediated membrane fusion	JAKSCH, Sebastian
