

# MLZ Conference 2023: Neutrons for Biomaterials

## Tuesday, May 23, 2023

### Lipids and membranes - Schloss Fürstenried (1:30 PM - 3:30 PM)

time	[id] title	presenter
1:30 PM	[15] Investigating Biomembrane Mimics and Lipid-Based Biomaterial Surfaces with Neutrons	SCHNECK, Emanuel
2:10 PM	[31] Mapping of a Mouse Brain Slice using Neutrons	Dr MAITI, Santanu
2:30 PM	[45] Interaction of nanoparticles with lipid films: the role of symmetry and shape anisotropy	MANGIAPIA, Gaetano
2:50 PM	[18] Timescale of SARS-CoV2 spike protein mediated membrane fusion	JAKSCH, Sebastian
