

MLZ Conference 2023: Neutrons for Biomaterials

Tuesday, 23 May 2023

Biomaterials for sustainability - Schloss Fürstenried (16:00 - 17:20)

time	[id] title	presenter
16:00	[19] Learning about wood nanostructure and moisture interactions with SANS	Dr PENTTILÄ, Paavo
16:40	[3] Kinetics of wood pretreatment using ionic liquids	Dr FRIELINGHAUS, Henrich
17:00	[17] Sustainable cellulose nanofibril-based multifunctional templates	ROTH, Stephan
