

MLZ Conference 2023: Neutrons for Biomaterials

Wednesday, 24 May 2023

AI for biomaterials - Schloss Fürstenried (08:30 - 10:10)

time	[id] title	presenter
08:30	[55] Studying the bone-implant interface in 3D using X-ray scattering and imaging	ZELLER-PLUMHOFF, Berit
09:10	[47] Probabilistic classification of 2D Small-Angle Scattering Patterns	GANEVA, Marina
09:30	[38] Tracking solution structures by scattering and modeling	COMBET, Sophie
