

MLZ Conference: Neutrons for Health

Wednesday, 28 June 2017

Oral presentations III (09:00 - 12:00)

time	[id] title	presenter
09:00	[55] Neutrons against Cancer	SAUERWEIN, Wolfgang
09:30	[56] Development of Intensity Modulated Fast Neutron Therapy at the University of Washington	EMERY, Robert
10:00	[57] Characterisation of the secondary fast and ultrafast neutrons emitted in Particle Therapy with the MONDO experiment	MARAFINI, Michela
10:20	Coffee Break	
10:50	[58] Neutron Irradiation Therapy – the clinicians view	POSCH, Andrea
11:20	[59] Fast neutron medical treatment – a status report	WAGNER, Franz-Michael
