

Session Program

3-4 Dec 2025

MLZ User Meeting 2025

Neutrons & Users 1a

smartvillage Bogenhausen
Rosenkavalierplatz 13 81925 München

Wednesday 3 December

15:00

Neutrons & Users 1a: Materials Engineering

Session | **Location:** smartvillage Bogenhausen, Wien & Versailles | **Conveners:** Ralph Gilles, Michael Hofmann

15:00-15:20

From Inhomogeneity to Insight: Neutron Imaging in Modern Materials Science

Speaker

Robin Woracek

15:20-15:40

Bridging Scales: From Lattice Strains to Industrial Sheet Metal Forming of Dual-Phase Steels

Speaker

Lorenz Maier

15:40-16:00

Elucidating the photochromic properties of yttrium oxyhydride films using positron annihilation spectroscopy

Speaker

Dr Stephan Eijt

16:00
