

Session Program

25-27 Nov 2025

 	 	Neutron Sources and Neutron Instrumentation: A Complex Ecosystem MLZ / LLB Workshop 2025 Institute for Advanced Study (IAS), Garching 25 November – 27 November 2025
---	---	---

MLZ / LLB Workshop 2025 in Garching

New facilities, new instruments III

Institute for Advanced Study (IAS)
Lichtenbergstraße 2a 85748 Garching

Wednesday 26 November

16:00

New facilities, new instruments III

Session | **Location:** Institute for Advanced Study (IAS), Lichtenbergstraße 2a 85748 Garching

16:00–16:20

SAM and SHARPER, the outstation of the Laboratoire Léon Brillouin at the Institute Laue-Langevin

Speaker

Lorenzo Metilli

16:20–16:40

Pulsed Magnetic Fields for Neutron Diffraction on IN22

Speaker

Fabienne Duc

16:40–17:00

nGI on electrical steels

Speaker

Michael Schulz

17:00
