

CREMLIN workshop: Engineering for advanced neutron instrumentation and sample environment

Tuesday, 15 May 2018

Session IV: Engineering for advanced instrumentation: Mechanical construction (08:30 - 10:00)

time	[id] title	presenter
08:30	[11] Mechanical Design in Neutron Instrumentation	Mr HARBOTT, Peter
09:00	[1] Minimizing activation, size and costs and yet maximizing efficiency - a challenge for engineering of instruments for research using neutrons	CALZADA, Elbio
09:30	[20] Engineering and sample environment of SANS	DESERT, Sylvain
