

CREMLIN workshop: Engineering for advanced neutron instrumentation and sample environment

Monday, 14 May 2018

Session I: Engineering for advanced instrumentation: Detectors (09:45 - 10:45)

time	[id] title	presenter
09:45	[27] Neutron detectors at PNPI	ILYIN, Dmitry
10:15	[6] Detectors for Thermal Neutron Detection Based on Helium-3	WILPERT, Thomas

Session I: Engineering for advanced instrumentation: Detectors (11:15 - 12:15)

time	[id] title	presenter
11:15	[28] Boron-Based Thin Film Detectors at the European Spallation Source ERIC	Prof. HALL-WILTON, Richard
11:45	[2] Development of neutron detectors for the spectrometers of the IBR-2 reactor	Dr KULIKOV, Sergey
