

CREMLIN workshop: Engineering for advanced neutron instrumentation and sample environment

Monday, 14 May 2018

Session II: Standards for sample environment (13:15 - 15:15)

time	[id] title	presenter
13:15	[12] Sample environment for diffraction	SENYSHYN, Anatoliy
13:45	[9] Sample environment for inelastic scattering	KULDA, Jiri
14:15	[19] Sample environment for reflectometry	MATTAUCH, Stefan
14:45	[16] Engineering challenges in single crystal neutron diffraction	GOUKASSOV, Arsen
