

CREMLIN workshop: Engineering for advanced neutron instrumentation and sample environment

Tuesday, 15 May 2018

Session V: Engineering for advanced instrumentation: Neutron components (10:30 - 12:00)

time	[id] title	presenter
10:30	[25] PIK reactor neutron guide system	KONIK, Peter
11:00	[14] Neutron Optics	Dr COURTOIS , Pierre
11:30	[26] Polarizing neutron optics	PLESHANOV, Nikolay
